

25 February 2016

STAKEHOLDER BRIEFING: West Lancashire community health services procurement

Yesterday (24 February 2016) marked our next stage in the community health services procurement process (Invitation to Participate in Dialogue).

As such, following a stringent evaluation stage, we have now invited some of the organisations to have further discussions with us during the next stage of the process.

For further information, please read the following:

- [Partner briefing](#) - explains the background to our procurement
- [Infographic](#) - gives a simple snapshot of the process and timeframes
- [News release](#) – highlights latest stage of the process and those organisations we have invited to participate in further dialogue with us
- [Procurement web page](#) – latest news/developments are published on the CCG's website

If you require additional information, please email myview@westlancashireccg.nhs.uk

Thank you for your support with this procurement. We will be in touch with further updates as the process continues.

Kind regards

Dr John Caine
Chair
