Please share this letter with other members of the household who are registered with Viran Medical Centre

Dear Patient

RE: Closure of the Viran Medical Centre

If you have already registered with a new GP practice, please ignore this letter

We are writing to remind you that as an existing patient of the Viran Medical Centre and following our previous correspondence with regards to registering with a new GP practice prior to the closure of the Viran Medical Centre on Thursday 31 January 2019, it is our understanding that you are still to do so. Therefore, to ensure continuity of care, NHS England and NHS West Lancashire CCG have taken steps to register you with your nearest GP practice, which is Beacon Primary Care (based in Banks).

Please treat this letter as confirmation of registration with this practice. The contact details are as follows:

Address: Beacon Primary Care, Church Road, Banks, PR9 8ET

Tel: 01704 396 010

If you are not satisfied with this choice of practice that you have been allocated, you are free to re-register with another practice of your choosing at a time convenient with you, by simply calling them to register. However, please be aware that you must reside within that practice's boundaries.

You can find full information as to which practices are within your locality, as well as other useful information including FAQ's, an informative leaflet and maps showing each GP practice's location on the CCG's website: bit.ly/ViranInfo

If you have any queries or concerns, please call 01695 588 203 or email wccg.myview@nhs.net.

Kind regards

On request, this letter can be provided in accessible formats and alternative languages
